Our initial services are based on a % of the amount invested as follows

For the first £100,000	3%
For between £100,001 - £250,000	2%
For between £250,001 - £1,000,000	1%

For example – If you invest a lump sum of £150,000 into an investment, we would charge an ‘adviser charge’ of £4,000

$$(\pounds 100,000 \times 3\%) + (\pounds 50,000 \times 2\%) = \pounds 4,000$$

For a brand new client our minimum initial fee is £1,500, initial and ongoing maximum fees are £250,000 per transaction/annum respectively. Re-registers and Bed & ISA’s are not included in the tiered charging structure and carry a 1% fee.

Please note that where we use the term ‘fee’ this can be paid from the product provider and maybe taken from your investments/pension.

You may at any time cancel an Ongoing Advice Service by serving your notification of cancellation to us in writing. Upon receipt of your cancellation notice for an Ongoing Advice Service we will arrange for any future payment of any associated charges to cease.

Client Agreement

INVESTMENT SERVICES

Applewood Independent Limited is permitted to advise on and arrange (bring about) deals in investments.

With regard to investments which we have arranged for you, these will be kept under review until you terminate your agreement with us. For any investment services provided we will be acting on your behalf unless otherwise stated.

Applewood Independent Limited **does not handle clients' money**. We never accept a cheque made payable to us or handle cash (unless it is payment in settlement of adviser charges or disbursements for which we have sent you an invoice). If you do send us money, this may delay your transaction as we may have to return this money to you.

REGULATORY STATUS

Applewood Independent Limited is authorised and regulated by the Financial Conduct Authority. Our FCA Register number is 602237.

Our permitted business is advising on, arranging, and making arrangements with a view to investments.

You can check this on the FCA's Register by visiting the FCA's website – <http://www.fca.org.uk/register> or by contacting the FCA on 0800 111 6768.

CLIENT CATEGORISATION

Unless you receive confirmation in writing to the contrary, in all our dealings on investment matters you will be treated as a Retail Client. This means that you are afforded the highest level of protection under the regulatory system and should have the right to take any complaint to the Financial Ombudsman Service (FOS).

Where we have categorised you other than as a 'retail client', you may request re-categorisation under a client category which benefits from a higher degree of protection. However, we reserve the right to agree to such a re-categorisation on a case-by-case basis, and where we agree to do so it does not necessarily mean that you will have a right of access to the Financial Ombudsman Service.

Further information in respect of the Financial Ombudsman Service is available on their website at the following address: <http://www.financial-ombudsman.org.uk>

WHICH SERVICE(S) WILL WE PROVIDE YOU WITH?

Independent advice

We will advise and make a recommendation for you after we have assessed your needs. Our recommendation will be based on a sufficient range of retail investment products, financial instruments and structured deposits.

A 'sufficient range' means that the products that we will advise on and recommend will be sufficiently diverse with regards to their type and issuers or product providers to ensure that our client investment objectives can be suitably met.

CONFLICTS OF INTEREST

Applewood Independent Limited offers services in accordance with that described in this document. Occasions may arise where the firm, an employee, or other associates of the firm has competing professional or personal interests which may prevent these services being provided to clients in an independent or impartial manner.

Applewood Independent takes all appropriate steps to prevent conflicts of interests from occurring in line with the firm's conflicts of interest policy. However, there may be occasions where a conflict of interest cannot be prevented. Where this is the case, we will disclose to you the nature of the conflict and the steps that we will take to mitigate the risks that you will be treated unfairly as a result of any conflicts identified.

We will make you aware of any conflicts of interest before the provision of services to enable you to choose whether you still wish to proceed with services. A copy of the firms' conflict of interest policy is available on request.

We may on occasion receive minor non-monetary benefits from third parties such as product providers e.g. food and drink provided at a provider training event. Where relevant, any minor non-monetary benefits received will not conflict with our duty to act in your best interests.

TERMINATION OF AUTHORITY

You or we may terminate our authority to act on your behalf at any time, without penalty. Notice of this termination must be given in writing and will take effect from the date of receipt. Termination is without prejudice to any services already provided / transactions already initiated, which will be completed according to the Client Agreement unless otherwise agreed in writing. You will be liable to pay for any transactions made and / or services carried out prior to termination and any adviser charges or other fees which may be outstanding.

RIGHT TO WITHDRAW

In the case of many retail investment products – such as life assurance contracts, personal pension schemes, investment bonds, and collective investment arrangements (e.g. unit trusts), a right to withdraw or cancel the contract within a specified period is normally provided. Details of such rights are ordinarily contained in the product literature (e.g. Key Features document) and/or we may provide details of such rights in a separate communication.

In the case of any non-retail investment products e.g. an ISA wrapper, we will inform you in writing of any right to withdraw or cancel you may have or, if it is the case, we will inform you in writing that no such rights will apply.

CLIENTS RISK

You are advised that because investments can fall as well as rise, you may not get back the full amount invested. Past performance is not a guide to future performance.

WHAT WILL YOU HAVE TO PAY US FOR OUR SERVICES?

We will discuss with you the basis of our charges, based on the type(s) of work we are asked to undertake for you.

We will discuss with you when you will have to pay our charges, both initial and ongoing.

You will pay for our services on the basis of an adviser charge or a fee.

We will discuss your payment options with you and answer any questions you have. We will not charge you until we have agreed with you how we are to be paid.

All fee amounts quoted below are exclusive of VAT, expenses and disbursements; these may be added to the invoice if applicable.

Initial advice service

Our initial advice will be appropriate for you, based on your requirements and circumstances at that time. We will not ensure that any initial advice remains suitable for you at a later date, unless you select to receive ongoing services from us.

Our initial advice service will include a detailed review of your current situation in line with your needs and objectives, with a report produced by us outlining our findings and recommended actions.

Once agreed, the 'adviser charge' amount will not change, except where your needs or circumstances differ from our initial expectations.

Ref: 370

Version 8 - 28th March 2019

Ongoing services

In addition to our initial advice services, you could ask us to undertake further services on an ongoing basis. Details of any ongoing services that we offer are detailed later within this document.

Our typical adviser charges are noted below. The exact amount may be more or less than this, but will be specifically agreed with you based on the work you ask us to do for you. We will confirm the actual adviser charges in writing within our separate 'Services & Payment Agreement', before providing our services to you.

Please note that as the investment amount increases, your ongoing charge may also increase.

If we do not agree a fixed adviser charge with you at outset, you may ask us for an estimate of how much in total we might charge for any service(s) provided. You may also ask us not to exceed a given amount without checking with you first.

You may at any time cancel an Ongoing Service by serving your notification of cancellation to us in writing. Upon receipt of your cancellation notice for an Ongoing Advice Service we will arrange for any future payment of any associated charges to cease.

THE COST OF OUR SERVICES

Payment for initial advice services

Before we provide services to you, we will gather information about your circumstances and needs. We will not make a charge for this.

After this we will charge you:

A one-off 'adviser charge' as a percentage of the initial investment amount as follows:

Our initial charge for any new investment will be based on the following tiered fee structure:

For the first £100,000	3%
For between £100,001 - £250,000	2%
For between £250,001 - £1,000,000	1%
For above £1,000,001	By Negotiation

Funds which are re-registered are charged at 1% of the value at the time of the transaction and the values are not included in our tiered charging detailed above.

The maximum initial fee will be capped at £250,000 and the minimum initial fee for brand new clients is £1,500.

Bed and ISA's have a maximum fee of 1% of the investment amount.

For example: for an investment of £150,000 the first £100,000 would have a fee of 3%, then the next £50,000 would have a fee of 2% meaning that the overall initial fee would be £4,000 approximately 2.7% of the investment.

Or

A fee based on the amount of time spent, at the following hourly rates:

Director	£225
Adviser	£200
Paraplanning	£125
Administration	£ 95

Ref: 370

Version 8 - 28th March 2019

Example:

If the amount of time taken to advise and arrange a suitable product for you is 6 hours, then at an average rate of £140 per hour there would be a total fee of £840 payable.

Adviser	x 2 hours @ £200 per hour =	£400
Paraplanning	x 2 hours @ £125 per hour =	£250
Administration	x 2 hours @ £95 per hour =	£190
Total		£840

The above rates are indicative and we will confirm the approximate time required and fee amount due prior to the completion of any work.

We will tell you how much the fee will be before you complete an investment, but you may ask for this information earlier.

Nominee & Safe Custody Services

Applewood Independent Limited does not safeguard or administer client assets but we may arrange business through platforms, which will provide custody services for your assets. Where this is the case, the legal title of investments will be registered in the name of the third party's nominee.

Transactions will be transmitted to the fund supermarket, investment wrap platform, or similar third party investment institution for them to execute. Money or transferred assets will be placed immediately with that third party for investment – we will never hold the assets for you. We will provide you with the relevant account opening details for the identified third party such as their Terms & Conditions, Nominee and Safe Custody Service, Best Execution Policy, Execution Venues and Conflicts of Interest Policy (or equivalent documents). INVESTMENT OBJECTIVES & RESTRICTIONS

Following the issue of this document, any subsequent advice or recommendation offered to you will be based on your stated investment objectives, agreed level of risk you are prepared / able to take and any restrictions you wish to place on the type of investments or policies you are willing to consider. Details of your stated investment objectives will be identified during our discussions with you and confirmed within the suitability report that we will issue to you to confirm our recommendation(s). Unless confirmed in writing, to the contrary, we will assume that you do not wish to place any restrictions on the advice we give you.

BEST EXECUTION POLICY

It is in the interests of our clients and Applewood Independent Limited that we obtain the best possible result when placing orders with other firms (e.g. third party brokers) for the execution of client orders or when transmitting orders on behalf of clients for particular investments – e.g. shares. We are required under the Rules of the Financial Conduct Authority to take all reasonable steps to provide 'best execution' when carrying out such transactions.

Where we place or transmit orders for such investments on behalf of our clients, we may utilise the services of a third party broker and base our decision to place or transmit an order on the price and cost of execution of the order. For orders in collective investment schemes (e.g. unit trust), however, the price of units or shares in the scheme is normally set by the scheme operator or manager and as such we have little influence over the price available.

Full details of our best execution arrangements are provided in our Best Execution Policy, a copy of which can be provided on request.

MODE OF COMMUNICATION

We will enter into communication with you through whatever means are convenient to you and us, including face-to-face, telephone, e-mail and other acceptable electronic communication methods.

Our communications will ordinarily be in English, both in respect of oral and written communications.

We are required by our regulators (the FCA) to keep records of any telephone conversations or other electronic communications with our clients in relation to the arranging of transactions in investments that are categorised as financial instruments.

The term 'electronic communication' covers many categories of communications and includes (amongst others) video conferencing, fax email, Bloomberg mail, SMS, business to business devices, chat, instant messaging and mobile devices applications.

A copy of our call recording policy is available upon request.
